Our newsletter celebrates the key achievements of our students and highlights the various activities going on around the school

Newsletter for the month of December 2018

Pre- Primary

XVII Annual Sports Day

Sports day is an integral part of every student's life. It is a splendid occasion for them to showcase their speed and agility. Pre- Primary children celebrated their XVII Annual Sports Day on December 5 & 6, 2018. The theme this year for the Pre Primary was "Community Helpers". Pre Primary Annual Sports Day commenced with Torch bearing ceremony. The Sports Meet was declared open by our Principal Ma'am Indu Dubey. The Pre Primary children participated in different races where the classmates cheered for them. It was a fun packed day for children and parents.

Pre- Primary

Christmas Celebration

Pre- primary children celebrated Christmas festival with great enthusiasm on December 24, 2018. They came dressed in red and green colour clothes. They listened to the story of the birth of Jesus Christ and did different activities. They also made cake delight using icing cones and relished them. A skit on Christmas was also performed by the Sr. Kg. students on this occasion. The children spoke about Jesus Christ and shared information on Christmas.

Grade Nursery

Brown Day

Nursery children celebrated 'The Brown Day' on December 12, 2018 by flaunting the earthly colours in their attire and highlighting its significance. The colour holds a lot of relevance as it represents the colour of soil. Shades of brown convey concepts of earth-friendly and all natural. The ability to identify colour is considered a milestone in a child's cognitive process. Recognizing the Brown colour and identifying the different shades of brown was the motive behind celebrating brown colour day. All the teachers and children came dressed up in different shades of brown colour. The classrooms were beautifully decorated with brown coloured objects. The children were showed different coloured objects and asked to name the objects which were brown in colour. The brown colour was revised through different activities. Through these activities they learnt its significance and developed their fine motor skills. The children thoroughly enjoyed their practical learning experience.

Grade Nursery

Show & Tell Activity

A show and tell activity was conducted for Nursery class on December 19, 2018 where children brought their favourite wild animal and spoke a few lines about it.

Grade Nursery

Rhyme Time Wild Animals

An introduction to 'Wild Animals' was done with the Nursery children this month. Children came dressed as their favourite wild animal on December 21, 2018 and sang a rhyme related to it.

Grade
Jr. Kg

Cooking Activity

As a follow-up for the theme Fruits and Vegetables of Winter Season Jr.Kg children made fruit salad on December 12, 2018. They relished the fruit salad they had made.

Grade
Jr. Kg

Show & Tell Activity

A show and tell activity was conducted for Jr. Kg class on December 26, 2018 where children brought their favourite polar animal and spoke a few lines about it.

Grade 2

Picnic

Grade 2 went for a picnic to Rocksport Academy on 3rd of December. The place was full of exciting and adventurous squadron activities like zip lining, balance beam, laser beam, alpha cross, commando net, gorilla cave, camel ride, DJ floor, to name a few. All these activities were specially designed for the kids and urged them to test their physical and mental strength. They had a fun packed day along with the entire thrill. It was an exhilarating day and will be remembered for long.

Grade II

NMS Collection Drive

Hygiene is one of the basic and significant part of human life. Children of Grade II made a small contribution by collecting around 1300 soaps for NMS Collection Drive in the month of December. They distributed these to Nischay girls and other less fortunate people around the city in different slums. The step was taken to spread awareness about cleanliness and staying healthy. Amidst these visits, they also learnt the importance of sharing and being responsible towards the society. Children were eager to help which was evident through their initiative to collect the soaps and distribute them with the broad smiles on their faces. The visit ended with a short program of singing. They returned back feeling contented and happy.

Grade 2

Culmination Day

Grade 2 organised the culmination day for the topic 'Continents and Oceans'. The classes were divided into different continents. The students had been preparing for the same and were super excited for the presentation. Along with beautiful 3D models, informative charts, interactive PowerPoint presentations the children also dresses up and pepped up the atmosphere with drum rolling dragon parade, the colourful and energetic samba dance and creative boomerang decorations. The visitors also relished different cuisines of the world. The whole day turned into a carnival and left with a lot of memories to cherish.

Grade III

Club Activity

Grade III club activities were organized on November 24, 2018. The children were enthusiastically involved in the fun filled activities of the clubs. All the clubs focused towards the children utilizing their time in the most effective and fun manner. As a follow up, children made a scrap book detailing the activities done by them in the club which stays with them as a part of their club memory.

Grade III

Picnic

Students not only learn in their classroom but beyond it, through picnic which encourages a feeling of togetherness and a spirit of friendship. A class picnic was organized for Class III on December 20, 2018 and venue chosen was Rock-sport Academy. It was the most adventurous and the most excited trip for the children. Children enjoyed activities like commandos net, gorilla cave, camel ride, zip lining, laser beam and balanced beam.

Grade III

Math Fair

The students of grade III enthusiastically participated in Math Fair on 26 and 27 December 2018 to showcase their interest in math. The students prepared and arranged their presentations, games, puzzles and riddles and challenged other students to solve them. The teachers also did not miss the chance to be a part of this fun filled Math Fair activities. All the participants were delighted with rewards earned by them. They exchanged ideas which added a lot of knowledge and information.

Grade 4

Visit to Birla Planetarium

Grade 4 students got an opportunity to visit Birla Planetarium on Thursday, December 26, 2018 to add on to their information about space. The sparkling stars and planets projected during the show created an image of space; making learning about the celestial bodies an easy task.

Grade 5

Field Trip to Amer Fort

Children of Grade 5 went to Amer and enthusiastically drew monuments in real surroundings as an extension of their Art Expression Unit under guidance of art teachers. It was a cherished experience for all.

Grade 6 & 8

Google's CS Activity

Google's CS First Activity was conducted for the students of Grades 6 to 8 on Saturday December 15, 2018. Students showcased their creativity in designing the logo for 'GOOGLE DOODLE' using scratch. They also learnt the basics of coding during the process.

Grade 7 & 8

Visit to City Palace

Students of grades 7 and 8 visited City Palace to attend History festival on Thursday December 13, 2018. A wide range of activities were organized for them. Our short documentary BHOPAS (listed in top 10 heritage documentaries by INTACH) was screened on all four days during the festival. It was a learning experience for the children.

Primary

Donation drive

Primary classes collection drive representatives donated hygiene kits and eatables amongst needy in the city and learnt importance of giving and gratefulness.

Primary

Read Together Activity

The primary grades mark a time of tremendous growth in literacy skills, making reading activities a crucial part of the school day. Reading activities that address all reading skills help young students develop a well-rounded approach to literacy. In order to promote the student's reading skills while having fun at the same time, a Read Together activity was conducted for the students of grade 4 on December 20, 2018. They read age appropriate story books to improve fluency and to expand vocabulary. On completion of the reading session, children recommended their books to their classmates inspiring them to read more.

Grade IX to XII

XVII Annual Sports Day

The XVII Annual Sports Meet for senior school was held on December 01, 2018. The students of grade IX to XII participated with great zeal and true sportsman spirit. The meet commenced with the lighting of the torch followed by various track events. The students displayed their athletic skills with great fervor and enthusiasms. The zealous audience gathered in large number constantly applauded the participants. It was a successful event where mass participation was witnessed displaying healthy participation and discipline.

CAS Project

Christmas is a time for giving and sharing and there nothing better than giving happiness to others and sharing it with the people you love. We, the students of IBDP-1 recently held a small Christmas get together for the Nischay girls as a part of our Creativity Action Service (CAS) project. Service acts as volunteering and it made us caring and open minded IB learners. wherein we invited the girls for two hours of fun filled activites A classmate made cookies and had the nischay girls decorate them with with different color frosting. We made them decorate christmas tress and asked them to color pictures of Santas and reindeers. But what any christmas get together without music. From rocking bollywood to cheesy christmas carols, the girls along with all of us danced to these songs with energy and enthusiasm. Ending the get together with a pizza party and Santa Claus giving gifts to everyone, it was a day that brought a smile on everyone faces.
