

Neerja Modi School

Our newsletter celebrates the key achievements of our students and highlights the various activities going on around the school

Newsletter for the month of february 2019

Rhyme Time

Nursery

An introduction to 'Birds and Insects' was done with the Nursery children this month. Children came dressed as their favourite bird and insect on February 1, 2019 and sang a rhyme related to it.

White Colour Day

Grade Nursery

Nursery children celebrated 'White Colour Day' on February 13, 2019. White colour stands for purity, innocence, wholeness and completion. Its basic feature is equality, implying fairness, impartiality and independence. Recognizing the white colour was the motive behind celebrating white colour day. All the teachers and children came dressed up in different shades of white colour. The classrooms were beautifully decorated with white coloured objects. The children were showed different coloured objects and were asked to name the objects which were white in colour. The white colour was revised through different activities. Through these activities they learnt its significance and developed their fine motor skills. The children thoroughly enjoyed their practical learning experience.

Show & Tell Activity

Grade
Nursery

A show and tell activity was conducted for Nursery class on February 27, 2019 where children brought their favourite transport and spoke a few lines about it.

Show & Tell Activity

Grade
Jr. Kg

A show and tell activity was conducted for Jr. Kg class on February 11, 2019 where children brought their favourite thing and spoke a few lines about it. They were very excited to speak about their favourite things.

Young Achievers Competition

Grade
Sr. Kg

Young Achievers for Sr. Kg was organized on Saturday, February 2, 2019 wherein students got a platform to showcase their talent. Around 100 students gave fabulous performance in Art, Music, Dance and Recitation. They surprised us with their superb energy and confidence.

Role Play – Vegetable and Fruit Market

Grade
Sr. Kg

A role play Vegetable and Fruit Market was organized for the Sr. Kg children on February 6, 2019 as a follow up for the concept of money. The children were excited about their shopping experience. They all enjoyed the role play.

Understanding Estimation of Length

Grade
Sr. Kg

Experimenting with real objects helps children to understand measurement concept. For children, estimation is an important skill. It enables children to determine the reason behind their answer. The children of Sr. Kg Class practiced estimating length of real objects using non standard measurement units on February 6, 2019. With this activity children got an instant, visual grasp of beginning measurement concept and conducted simple investigations. The children enjoyed and were excited to do the same.

Field trip to the Doll Museum

Grade
Sr. Kg

A favorite doll is a child's first best friend, often before they're ready to form real human friendships. Dolls are fantastic toys for both boys and girls to learn about themselves and their world.

A field trip to the Doll Museum was organized for the Sr. Kg students on February 7, 2019. Children visited and learned about dolls from different countries. The children were excited to see different dolls.

Cooking Activity: Vegetable Sandwich

Grade
Sr. Kg

As a follow-up for the theme Farm to Table, Sr. Kg children made Vegetable Sandwich on February 13, 2019. They relished the sandwich they had made.

Young Achievers

Grade
I

Young Achievers was held for Grade I on Saturday, February 02, 2019. The theme for this month was "Festivals of India". It provides a platform to children who want to showcase their talents outside the regular curriculum. The children amazed and glorified the teachers and themselves by presenting their talents in the most beautiful ways. Their hard work and efforts are very much appreciated.

Science Experiment Week

Grade I

Science Experiment week was organized from 4th to 8th February, 2019 for the students of Grade I to help them develop important skills like discovering facts, understanding the process of scientific investigation and how to apply science concepts in real world. Children were very excited to present their experiment prepared from home.

Special Assembly

Grade
I

Spring Is Nature's Way Of Saying, Let's Celebrate!!"
On the occasion of Basant Panchami, the students of Grade I-F presented their special assembly on Monday, February 11, 2019. The assembly commenced with graceful Saraswati Vandana followed by a skit based on the importance of yellow colour during the spring season, highlighting the value of education and its relation to Goddess Saraswati. The assembly ended with a melodious patriotic song which was a pleasure to watch.

Special Assembly

Grade I

The students of Grade I –A presented a Special assembly on the “Diverse culture of Rajasthan”. The assembly was organized by the students sharing information on the famous monuments, rivers, palaces and forts with in Rajasthan followed by a traditional folk dance “Ghomer” with its must twirl. The assembly ended with a beautiful folk song “Welcome to Rajasthan”.

Math Activity on Money

Grade I

A fulfilled Math activity based on “Shopping” (buying and selling) was organized on February 25, 2019 for the students of Grade I. Different shops were set where children learnt how to handle currency. They bought different things on tagged prices. Through this activity they learnt to calculate the amount exchanged with the shopkeeper. Children did this activity enthusiastically.

Special Assembly

Grade
I

Grade I – G conducted a special assembly on February 27, 2019. The children introduced the topic “Togetherness” and told about the benefits of being together. They also shared information about the social evil i.e. the “Use of Plastic” which is causing pollution and harming the living things .It was followed by a song “Together we can change the World” and dance “ TikTik Plastic tiknapayega”. In the end children spoke quotes on togetherness and every one was asked to take a “Promise “ to save our environment.

Grade
II

Students of Grade II participated with great zeal in the Poster Making Competition organised to celebrate Republic Day. The competition aimed to educate and bring awareness among students towards Swachh Bharat Abhiyan as well as coexistence of animals and human beings. The drawing skills and interesting slogans by them exceeded our expectations.

Field Trip

Grade II

The students of Grade II went to visit the Blue Pottery and Block Printing factory situated in Sanganer, Jaipur on February 21, 2019. They learned how block printing is done on a cloth using different types of wooden blocks having various designs and many colours. With the help of workers present there, the children also made colourful blocks on cotton cloth. They also learned about the sequential steps followed in the manufacturing of blue pottery. They seemed very eager and excited to know about the whole process. The trip ended with the visit to the showroom where many beautiful blue pottery items, ornaments and block printing textiles were displayed.

Story Telling

Grade
II

It's the stories that gives wings to our imaginations and take us to the places beyond the boundaries of physical world into the land of fairies and wishing trees. To keep love of reading in children, a Story Telling Activity was conducted for Grade II on February 23, 2019. Children narrated all sorts of folk tales, moral based stories, stories with humour etc. The young tellers used the variety of props to make the stories interesting and expressive. It was a confidence building activity for the children and appreciated by everyone.

Club Activities

Grade II

'Sky isn't the limit when we have footsteps on the Moon'. The theme for club activities of Grade II held on February 23, 2019 was 'Space'. Video related to the same were shown to the children. In Literary Club, children were given the chance to let their mind travel in the aircraft and write a story about their imaginary space trip. In Speech and Debate Club, children researched and spoke about different planets in space. Math and Science Club students enjoyed doing space scavenger hunt in the classroom, they also solved the math sheet based on long division. Life Skills Club held lessons on different defense techniques for self protection. Creative Club students used 8 different colour techniques to create their planets with glittery stars and a smiley Sun for their solar system. Little chefs of Cookery Club had fun time in making sandwiches and milkshake based on the theme.

Annual Sports day

Grade II

'Talent wins games, but team-work and intelligence wins championships'. Sports day of Grade II is a platform to show case the talent and efforts put in by the children. It is not just about competition but having fun, being physically active, learning the basics of sports and an opportunity to display their confidence, patience, zeal and sportsman ship as well. The event began with fantastic drill and mesmerizing yoga display. Further the budding sports stars participated in their respective races with full verve and vigor. It was a delight to see the excitement with which children challenged themselves to attempt variety of races such as Sprint, Flag Transfer Race, Lemon and Spoon Race, Relay etc. The young achievers were awarded with the medals Gold, Silver and Bronze to mark the end of yet another fun-filled and enthralling event.
